**DELAWARE POLICE CHIEFS COUNCIL REQUEST**

Capitol Police requests funds to purchase a 52 week video program entitled PATH OF THE GUARDIAN (see attachment). The funding is to provide EVERY police agency within the State the training. By contracting as a statewide initiative the savings are massive compared to each agency paying their own fees which is in excess of \$52,000.00. In the cases of some agencies this will be their only opportunity to get this type training due to budget constraints.

Daigle Law Group and its consultants developed this video program to help protect the Guardian by developing the Guardian mindset. The videos are 5-8 minutes long and focus on important policy and police practice issues developing across the country and in your state. The videos

focus on Supreme Court updates, police practice issues, high liability issues, Department of Justice investigations, and accreditation standards. The videos are provided to the department to be distributed on Wednesday of each week for a total of 52 videos a year.

The DPCC membership met in November 2016 and collectively supports this video series as valuable training towards the 21<sup>st</sup> Century Policing model. The training will provide approx. 6 hours of COPT approved training annually to law enforcement in 2017.
